"The Expo Management Team and I welcome you to the SC AgriBiz & Farm Expo. We realize this has been a challenging year for all of agriculture therefore we have gone the extra mile to make this year's Expo even better. We are focusing on efficiency on the farm, how to do more with less. There are also lots of opportunities for you to connect with other farmers and agribusiness leaders. We look forward to connecting with you. See you Wednesday, January 13th and Thursday, January 14th at the Florence Civic Center."
